Buddha Public School, Bahraich
Intermediate
Percentage = 84.3 %
2019

Buddha Public School, Bahraich
High School
CGPA = 9.4
2017

Project and Research

Parallax Website

Technology Used -- HTML/CSS

I have created parallax scrolling effect, both the foreground and background are moving, but the background typically moves much more slowly, giving the illusion of depth.

Clone of Razorpay and UsabilityHub

Technology Used -- HTML/CSS, TAILWIND

Razorpay website made by CSS framework TAILWIND.
UsabilityHub website clone using HTML and CSS.

Random Joke Generator

Technology Used -- HTML/CSS, JavaScript

This project creates a whimsical web app, the "Joke Generator," using HTML, CSS, and JavaScript. It fetches random dad jokes from an API, delighting users with a simple click.

HOBBIES

- Fitness
- STOCK MARKET ANALYSIS
- Coding and Programming Challenges
